STUDIO / EXPRESSIVE ART

My art

I paint to understand what I'm feeling before I have the words for it. My work explores tension, vulnerability, and the way interior states show up in the body. Bright tones sit beside muted ones, and messy brush marks collide with careful lines mirroring the contradictions of real life. I hope viewers find a piece of their own emotional landscape in mine.

Selected Works

Sitting with Dog, 2025
28" x 30" acrylic on canvas

Saint Elsewhere, 2025
